

**CITY OF WESTMINSTER
MEMBER OF THE CITY COUNCIL**

FRANK G. FRY

OCCUPATION: Councilman

My wife and I, have made our home in Westminster since 1957, Our two children, Mike and Diane, were born here. We have three granddaughters living locally.

Many people have asked me to run for the City Council again. Our council under Mayor Rice, is working together for the common good of the city. We have a clean city. A well-run city. We have an honest city. I want to keep it that way!

We have worked together to support a strong local economy. We have fixed more streets in the last four years than the past 20. We are beautifying the city with green islands. The twin water tanks guarantee a safer Westminster. The police department has won numerous awards. Our new college building and the auditorium complex will soon be added to Freedom Park.
